Event Parking Policy and Plan

The City of Steamboat Springs Parks and Recreation Department is responsible for effectively scheduling and managing events at the Emerald Park Sports Complex and the Botanic Park. The parking lot has 130 parking spaces with 6 additional ADA parking spaces. 30 spaces are reserved for the Botanic Park with 100 spaces available for sporting events, practices and the general public.

A transportation plan is required for all programmed use at both facilities for events 75 people and larger, addressing how each user group plans to minimize the number of cars coming to their event. Proposed transportation plans and field schedule requests shall be submitted to the Botanic Park for review and approval from the Parks and Recreation department. Proposed transportation plans are required to be submitted by the event producer, and approved by the City, with a goal of minimizing the number of cars utilizing the parking lot that correlates to the number of spaces available.

A Community Service Officer or volunteer for the event will be required for all Sports Complex tournaments and Botanic Park events with 75 people or more expected in attendance to monitor parking and compliance with reserved spaces.
